SynthGen 5W30

Description

This sophisticated full-synthetic fuel economy universal motor oil is produced with high quality synthetic base oils with a high viscosity index and a well-balanced choice of advanced additives to obtain the following properties:

- a lower fuel consumption
- a high and very stable viscosity index
- a high resistance against shearing
- a fast cold start
- a safe lubrication film at very high temperatures
- a very good detergency and dispersion
- a very strong protection against wear, corrosion and foaming

Application

This universal fuel economy synthetic motor oil is recommended for use in petrol- and diesel engines, with or without turbo-charging, in passenger cars and delivery vans with the specifications as stated below.
